ACKNOWLEDGMENT

I would like to express my deepest thanks and respect to my thesis adviser Dr. Aree Wiboonpongse. Her precious encouragement, advice, and patience through the entire thesis work enabled my selection of thesis topic, writing of proposal and fulfillment of the thesis. I am also indebted to her enormous effort in the correction and revision of my thesis manuscript.

Thanks also extend to Dr. Songsak Sriboonchitta, my academic adviser and thesis committee member, who provided his helpful comments to my proposal writing and thesis modification. I am very appreciate the helps from Dr. Pattana Jierwiriya-pant and Mr. Phrek Gypmantasiri, thesis committee members, for their comments and suggestion that helped my thesis modification.

Special thanks extend to Dr. Manu Seetisarn, Dr. Benchapun Shinawatra, and Ms Laxmi Worachai, their kind recommendations helped my thesis proposal improvement.

I am deeply indebted to Dr. Benjavan Rerkasem, chairman of the agricultural systems program, who had made so much concrete effort that helped resolving both my financial and livelihood problems encountered during my study in Thailand.

My sincere gratitude with respect also extend to The Kachorn Tingthanathikul Foundation, which kindly granted me the scholarship for the entire study period in Thailand. I am also very appreciate the

kindness of The Ford Foundation which partially financed my thesis research.

I am very appreciate the special helps from The Chinese State Education Commission, The Agricultural Ministry and The Chinese Consulate in Chiang Mai, which provided extensive genuine assistance to my study application, travel and financial arrangements. Appreciation and thanks also extend to those people in Hunan Academy of Agricultural Sciences who granted me time and provided me genuine assistance on research work and travel.

Finally, I am very much indebted to my wife Yao Hong and daughter Yanbing. It is the blessing of their love, patience, understanding and assistance that enabled the completion of my study. May their helps and suffering while my departure being noted and remembered by each word of this book.
