## ACKNOWLEDGEMENT

I would like to express my sincere gratitude and appreciation to Dr. Vicharn Vithayasai, my advisor, for his excellent guidance, continuous supervision, valuable advice and his encouragement, which has enabled me to carry on my study successfully.

I am particularly grateful to Dr. Prakong Vithayasai and Dr. Chatchawann Apichartpiyakul, my co-advisor for their help and valuable advice throughout this study.

I am indebted with all of the patients and donors for their cordiality and cooperation during the course of study.

I would like to thank Dr. Nongnuch Vinittanakom and Miss Chantana Kamwan, for their valuable advises and giving me the fungal isolates.

Finally, I would like to express my deep gratitude to my parents for their encouragement in pursuing my education.
