## LIST OF TABLES

Table	Page
1 Descriptive statistics for distance changes of female group	30
2 Descriptive statistics for distance changes of male group	31
3 Comparisons of means of each distance changes between sexes	33
4 Descriptive statistics for distance changes of all sample	34
5 Student t-test of mean changes of hard and soft tissue changes	35
6 Correlation coefficients between each variable	36
7 Multiple regression equation to predict amount change of Point A	38
8 Multiple regression equation to predict amount change of Point B	40
9 Multiple regression equation to predict amount change of soft tissue point A'	42
10 Multiple regression equation to predict amount change of soft tissue point B'	44
11 Multiple regression equation to predict amount change of upper lip	46
12 Multiple regression equation to predict amount change of lower lip	48
13 Correlation coefficients between $\Delta A$ and other related variables	56
14 Ratios between $\Delta A$ and other related variables	56
15 Prediction equation to predict the change of hard tissue point A	56
16 Correlation coefficients between $\Delta B$ and other related variables	58
17 Ratios between $\Delta B$ and other related variables	58
18 Prediction equation to predict the change of hard tissue point B	58
19 Correlation coefficients between $\Delta A'$ and other related variables	60
20 Ratios between $\Delta A'$ and other related variables	60
21 Prediction equation to predict the change of soft tissue point A'	60
22 Correlation coefficients between $\Delta B'$ and other related variables	62
23 Ratios between $\Delta B'$ and other related variables	62

24	Prediction equation to predict the changes of soft tissue point B'	62
25	Correlation coefficients between $\Delta UL$ and other related variables	64
26	Ratios between $\Delta UL$ and other related variables	64
27	Prediction equation to predict the change of upper lip	64
28	Correlation coefficients between $\Delta LL$ and other related variables	66
29	Ratios between $\Delta LL$ and other related variables	66
30	Prediction equation to predict the change of lower lip	67
31	Correlation between $\Delta A$ and $\Delta UIa$ , $\Delta UI$	73
32	Correlation between $\Delta B$ and $\Delta LIa$ , $\Delta LI$	73
33	Correlation between $\Delta A'$ and $\Delta A$ , $\Delta UL$	74
34	Correlation between $\Delta B'$ and $\Delta B$ , $\Delta LIa$ and $\Delta LL$	74
35	Correlation between $\Delta UL$ and $\Delta UI$ , $\Delta LI$ , $LL$ , $\Delta A'$	74
36	Correlation between $\Delta LL$ and $\Delta LI$ , $\Delta UL$ and $\Delta B'$	75

## LIST OF ILLUSTRATIONS

Figure	Page
1 Points studied by Roos	6
2 Points studied by LaMastra	7
3 Points studied by Battagel	8
4 Soft tissue points studied by Hershey	9
5 Reference lines used by Linquist	12
6 Reference line and points used by Neger	13
7 Reference lines used by King	14
8 S-N line and N-Pg line used by Rudee, Hershey and Garner	15
9 N-Pg line used by Anderson et al. and Hillesund	16
10 Reference lines used by Roos	17
11 Analysis studied by LaMastra	18
12 Reference line studied by Bloom	19
13 Reference lines used by Rains and Nanda, Loois and Mills, Talass et al., and Assuncao et al.	20
14 Landmarks, reference points and lines used in this investigation	26
15 Ratios between change of point A and change of upper incisor, change of point A and change of upper incisor apex	39
16 Ratios between changes of point B and change of lower incisor, change of point B and change of lower incisor apex	41
17 Ratios between change of soft tissue point A' and change of upper lip, change of soft tissue point A' and change of point A	43
18 Ratios between change of soft tissue point B' and change of point B, change of soft tissue point B' and change of lower lip, change of soft tissue point B' and change of lower incisor apex	45

- 19 Ratios between change of soft tissue upper lip and change of soft tissue point A', change of soft tissue upper lip and change of lower lip, change of soft tissue upper lip and change of lower incisor, change of soft tissue upper lip and change of upper incisor 47
- 20 Ratios between change of soft tissue lower lip and change of upper lip, change of soft tissue lower lip and change of lower incisor, change of soft tissue lower lip and change of soft tissue point B' 49
