ACKNOWLEDGEMENT

I would like to take this opportunity to express my sincere gratitude and deep appreciation to my advisors, Assistant Professor Damrong Santiarworn and Associate Professor Khesorn Nantachit for their kind, countless helpful, guidances, suggestion and comments.

My sincere and grateful appreciation is also expressed to Associate Professor Hiromitsu Takayama, Faculty of Pharmaceutical Sciences, Chiba University, Japan, for his helpful.

I am most appreciative of helpful cooperation of all staff members of the Department of Pharmaceutical Chemistry, Faculty of Pharmacy, Chiang Mai University, and the scientists of the Scientific and Technological Research Equipment Center, Chulalongkorn University and Department of Chemistry, Faculty of Sciences, Chiang Mai University.

Finally, my deepest gratitude is extended to all my friends for their helpful and encouragement.

Chalerm Saiin
