APPENDICES

APPENDIX A

Informed Consent

My name is Li Xiao Lin. I am a nurse in psychiatric ward, psychiatric department of West China Medical University. I am conducting a nursing research project for my master's degree study. I would like to ask for your participation in the study.

The purpose of this study is to describe the self-concept of schizophrenic patients. The information will benefit for nurses and others to plan a appropriate nursing care for schizophrenic patients, help patients to understand themselves and modify their behavior. If you agree to participate, you will be asked to complete the questionnaire of a self-concept scale which consists of 56 self descriptive statements. It will take you about 10-15 minutes to complete this questionnaire. If you have any questions about the questionnaire, I would be glad to explain them to you. All of your responses and the information from the hospital record will be remained confidential and your identity will not be revealed.

There are no known risks to participate in this study. However, your participation is voluntary, you have the right to participate or not participate. Withdrawal from this

study at any time, even after you start to answer the questions, will not affect you in any way.

Thank you for your cooperation. If you agree to participate, please sign this form.

Faculty of nursing
West China Medical University
Li Xiaolin

I am willing to participate in this study under the supervision of faculty of nursing, West China Medical University. I understand the information provided and I have had the opportunity to ask questions. All my questions have been answered.

Signature _____

Data _____

Appendix B
Demographic Data Form

Subject# _____ Age _____ gender _____

Income (yuan/ per month/per person)

- <200 201-300 301- 400
 401- 500 > 500

Medical information (from medical records)

Length of schizophrenia _____ year

Times of admission _____

APPENDIX C

The Self-concept Scale

Introduction

The following are statements about how you describe yourself as you see yourself. Please read each item which best represents your feeling about yourself. Then, select one of the five responses listed on the right side. The meaning of number is as following:

The positive items:

1=strong disagree

2=disagree

3=not sure

4=agree

5=strong agree

The negative items:

5=strong disagree

4=disagree

3=not sure

2=agree

1=strong agree

In the positive items, the strong disagree will score 1, disagree will score 2, not sure will score 3, agree will score 4, and strong agree will score 5. In negative items, the score will be just opposite. Please read each item carefully, do not omit any item.
