**ACKNOWLEDGEMENT**

I would like to express my sincere gratitude to my thesis advisor, Assistant Professor Dr. Ratanawadee Chontawan, for her scholarly guidance, interest and support throughout this study. Equal thanks go to my co-advisor, Assistant Professor Wimon Tanasuwan, for her kind support. I would like to express my appreciation to my committee members: Assistant Professor Wimon Tanasuwan , Assistant Professor Dr. Khanokporn Sucamvang, Associate Professor Chaweewan Thongchai and Professor Su, Zuyou.

My sincere thanks are also extended to the experts from Chiang Mai University: Associate Prof. Wanwilai Chumpirom, Assist. Prof. Dr. Seepan Kantawang, Assist. Prof. Dr. Prakin Suchaxaya, Assist. Prof. Dr. Sujitra Tiansawad, and Assist. Prof. Chawapornpan Chanprasirt for their validation of the instrument for my study. I am grateful for the translation and validation of the instrument from Prof. Qiu Xiaoyang, Associate Prof. Yang Chongli and Prof. Hu Renyi.

Sincere appreciation is extended to my directors and colleagues in China: Prof. Yang Guanghua and Prof. Zhang Zhaoda, the presidents of West China University of Medical Sciences (WCUMS), Prof. Lu Yijia and Associate Professor,

Yin Lei, Deans of the Faculty of Nursing of WCUMS, for their recommendations to this program and support throughout my study. I would like to thank Associate Prof. Zhang Sixian and Prof. He Jingqing, the directors of Nursing Department of the Second University Hospital of WCUMS for their concern, encouragement, and help throughout my study. I express my gratitude to head nurses and all staff nurses from the wards where I collected data of this study. Sincere appreciation goes to Mr. Wang Kai who gave me assistance in data analysis. Without the above people's support, help, encouragement, and understanding, I would not have been able to complete my study smoothly.

The China Medical Board of New York Inc. is acknowledged for providing financial support throughout the program.

My special appreciation goes to my husband, Mr. Jiang Xiao, for his love, encouragement, confidence, and emotional support in my ability to succeed. Special thanks also go to my lovely two-year-old daughter, Jiang Jingyuan, for her "understanding" throughout my study. I would like to express my great gratitude to my parents-in-law, Mr. Jiang, Zaizhong and Mrs. Xia, Ruinan, for their help and caring for my family when I was studying.

Above all, I greatly appreciate my parents for their constant love, education, support, and encouragement throughout my life. They will be very proud.
