ACKNOWLEDGEMENT

I would like to express my sincere thanks and grateful appreciation to my thesis advisors, Assist. Prof. Thiphaphorn Tungamnuay and Dr. Wanchai Moongtui, for their extraordinary guidance and kind support. I wish to thank Dr. Pikul Nantachaipan for her support. I also wish to thank my thesis examiners: Assist. Prof. Ladawan Phumvitchuvate, Assist. Prof. Dr. Wipada Kunaviktikul, and Professor Liu Miao for their scholarly suggestive comments and helps.

Sincere appreciation is extended to Assist. Prof. Rouliming, the Dean of Nursing School of my home University, and Assist. Prof. Zhang Xiao Xia and Assist. Prof. Chen Wen Qing, the Director of Nursing Department of Sun Yat-Sen Memorial Hospital for their encouragement and valuable suggestion.

I would like to thank all the subjects who participated in my study. Without their support my study would not have been successful.

My special thanks goes to my family, my father Mr. Li Shao Quan, my mother Mrs. Li Rui Yi, and my best friend Miss Ding Ming Hui, for their selfless love, unfailing support, and encouragement.

The China Medical Board of New York Inc. is acknowledged for providing financial support throughout the program.

IV

Chiang Mai University in Thailand and Xi'an Medical University in China are also acknowledged for conducting the program.

I also give my sincere thanks to my classmates, especially Mrs. Lu Hong and Mrs. Sheng Yu, for their encouragement and support.
