ACKNOWLEDGEMENT

I wish to express my sincere gratitude to Assoc. Prof. Amnuay Kananthai, my advisor, for his instruction and encouragement which enable me to carry out my study successfully.

Thanks for their constructive comments and suggestion to Assoc. Prof. Dr. Vited Longkani and Assoc. Prof. Dr. Suthep Suantai.

I would like to thank all other lecturers for their previous valuable lectures during my study at the department.

I gratefully appreciate my beloved parents and my brother for their love , sacrifices and encouragement.

Finally, I would like to express my special thanks to Mr. Gumpon Sritan-ratana and my friends for their suggestion and encouragement.
