Thai Abstract	vii
List of Tables	xiii
List of Figure and Maps	xiv
Abbreviation and Glossary	xv
 CHAPTER I INTRODUCTION	 1
1.1 Background	1
1.2 Objectives of the Study	3
1.3 Literature Review and Related Studies	3
1.3.1 Development Approaches and Dilemmas	3
1.3.2 Gender and Resource Management	6
1.3.3 State and Local Control Over Resource Management	11
1.4 Research Framework	13
1.5 Expectations	15
1.6 Scope and Methodologies	15
1.6.1 Location of the Study	15
1.6.2 Unit and Level of Analysis	15
1.6.3 Data and Method in Gathering Data	17
1.7 The Organization of the Study	17
 CHAPTER II HISTORICAL BACKGROUND OF THE STUDIED VILLAGE	 19
2.1 Characteristics of the Studied Village	19
2.1.1 Physical Character	19
2.1.2 Ethnic Character	23
2.1.3 Village Settlement	25
2.2 History of Resource Management	26
2.2.1 Period of Subsistence Production (1936-1974)	26
- Swiddens: Rotational Shifting Cultivation in Upland	26
- Terraced Field: Wet-Rice Cultivation	29
- Laboring System in Terraced and Upland Production	30
- Gender Roles in Production	30
- Beliefs and Rituals Related to the Production	31
- Resource Management in Local Control Dimension	32
- The Invasion of Other Ethnic Groups	36
- The Centralization of State Control over Resources	38
2.2.2 Period of Transition to Commercial Agriculture (1975-1992)	39
- The Infiltration of Development Projects	39
- The Pervasion of Education and The Conversion of Religion	41
- Cash Crop Production and Debt	43

2.2.3 Period of Commercial and Local Reaction to Forest Encroachment of Thai State (1993-Present)	44
- Commercial and Class Differentiation	45
- Local Reaction Forest Encroachment by Thai State	48
2.3 Conclusion	50
CHAPTER III ROLES AND RESOURCE MANAGEMENT AT HOUSEHOLD LEVEL	52
3.1 Case Study on Households with Contrasting Socio-Economic Status	53
3.1.1 Rich Households	53
3.1.2 Middle Class Households	57
3.1.3 Poor Households	62
3.1.4 Landless Households	66
3.2 Resource Management at Household Level	69
3.2.1 Management of Forest, Soil and Water Resources	70
3.2.2 Animal Husbandry at Household Level	72
3.3 Conclusion	76
CHAPTER IV GENDER AND RESOURCE MANAGEMENT AT COMMUNITY LEVEL	78
4.1 Local Knowledge in Natural Resource Management	78
4.1.1 Types of the Soil	78
4.1.2 Upland Farm	79
4.1.3 Herbs	80
4.1.4 Forest	81
4.1.5 Water	82
4.2 Traditional Belief and Natural Resource Management	83
4.2.1 Rituals in the Life Cycle	84
1. Birth Ritual	84
2. Marriage Ritual	85
3. Ritual in Time of Sickness	86
4. Funeral Ritual	87
4.2.2 Rituals Related to Nature	88
1. New Year Ritual	88
2. Ritual of Offering to Spirit of Traditional Irrigation System	91
4.3 New Pattern of Resource Management	93
4.3.1 Mountain Tap Water Project	93
4.3.2 Organisation of a Rice Fund	97
4.3.3 Community Organisation in a New Model for Resource Management	102
1. Youth Group	103
2. Establishment of a Village Committee	105
4.4 Conclusion	105

CHAPTER V THE TRANSFORMATION OF GENDER ROLES IN RESOURCE MANAGEMENT	107
5.1 The Change of Gender Roles in Agricultural Production	108
5.1.1 Subsistence Agriculture	109
- Rotational Swidden Cultivation Social Status	109
- Irrigated or Wet Rice Cultivation	112
5.1.2 Commercial Production or Cash Cropping	114
5.2 The Changing of Gender Roles at the Community Level	117
5.2.1 The Changing of Belief and Gender Role	117
5.2.2 Gender Roles in Communal Activity	121
5.3 The Changing of Gender Roles in Political Sphere	123
5.3.1 Gender Roles in Community Resource Management	123
5.3.2 The Women's Strategy in Bargaining with Forestry Officials	123 127
5.4 Conclusion	127
CHAPTER VI CONCLUSION	130
6.1 Major Findings of the Study	133
6.2 Theoretical Discussions of the Findings	135
6.3 Recommendations of the Study	136
REFERENCES	138
CURRICULUM VITAE	144

LIST OF TABLES

	Page
Table 2.1 Debt to Chinese Trader of the Villager of Ban OM-long from Cash Cropping in 1993	43
