## ACKNOWLEDGEMENT

I would like to express my deepest and most sincere gratitude to my supervisor, Associate Professor Dr. Prachya Kongtawelert, for his valuable guidance, continuous discussion and encouragement throughout my study. His kindness and understanding will be remembered forever.

I wish to extend my gracious thanks to Associate Professor Dr. Watchara Kasinrerak, Department of Clinical Immunology, Faculty of Associated Medical Sciences, for his valuable advice and interest in solving many problems and his constant encouragement during the course of this study.

I also wish to express my great appreciation to Associate Professor Dr. Viboon Ratanapanone and Dr. Dumrat Subyen for their valuable planning and excellent guidance throughout my works.

My sincere thanks extend to Assistant Professor Sichon Songsiri, Head of the Department of Clinical Immunology, Faculty of Associated Medical Science, for his provision of laboratory facilities and many guidance in experiment. Very many thanks go to all staff members and most of all to my dear friends, Ms Sompatwan Sitdhisung and Mr Noravit Jitjumnong for their kind helps in computer art works and thesis proof.

Finally, I would like to express my deepest gratitude to my family for their love, understanding and encouragement throughout my study.
