List of Figures and Maps	xv
Abbreviation and Glossary	xvi
CHAPTER I INTRODUCTION	1
1. Rationale of Study	1
2. Research Problems	2
3. Research Question	6
4. Research Objectives	7
5. Methodology	7
5.1 Research Site	7
5.2 Scope of Study	16
5.3 Method of Study	16
6. Organization of the Thesis	18
CHAPTER II LITERATURE REVIEW	22
1. Dynamism of Local Ecological Knowledge	23
2. Agrarian Transformation	33
3. Management of Natural Resources	40
4. Conceptual Framework	48
5. Summary	50

CHAPTER III	HISTORICAL DEVELOPMENT	
	OF MUONG PEOPLE IN MAI VILLAGE	51
1. <i>Nha Lang</i> Regime and Traditional Ecological System (before 1954)		52
1.1 Muong Traditional Ecological Principles		56
1.2 Muong Traditional Social Organization		59
1.3 Management of Natural Resources		65
2. Collectivization Period (from 1954 – 1980s)		69
2.1 New Ecological Principles		69
2.2 Social Organization		71
2.3 Management of Natural Resources		74
3. Decollectivization and Open Economy (1980 to now)		77
3.1 Ecological Principles		78
3.2 Social Organization		79
3.3 Natural Resources Management		81
4. Synthesis		86
CHAPTER IV	ECOLOGICAL CONCEPTS OF MUONG PEOPLE	89
1. Concept about Land		90
1.1 The Land Customary Law Based on Belief in Spirits		91
1.2 The Land Use Rights Based on the Labor to Clear Land		93
1.3 Land as Subsistence Source for Survive		97
2. Concept about Forest		98
2.1 Moral Principles Based on Belief in Spirits		99
2.2 Forest as Common Property of the Village		103
2.3 Forest as the Integrated Part of Subsistence Farming System		104
3 Summary		106

CHAPTER V	CHANGING CONTEXT OF LOCAL KNOWLEDGE	
	IN MAI VILLAGE	107
1.	Demographic Changes in Mai Village	107
2.	Changing Local Resource Management Under State Intervention	113
3.	Changing Local Economy under Market Intervention	123
4.	Summary	129
CHAPTER VI	HOUSEHOLD PRODCUTION STRATEGIES	
	AS CHANGING PRACTICE OF ECOLOGICAL KNOWLEDGE	130
1.	Classification of Household Strategies	130
2.	Commercial Strategy and the Adoption of Scientific Knowledge	133
3.	Semi-Commercial Strategy and the Articulation of Scientific and Local Knowledge	140
4.	Subsistence Strategy and the Reproduction of Local Knowledge	147
5.	Summary	150
CHAPTER VII	CONCLUSIONS AND RECOMMENDATIONS	152
1.	Research Findings	152
2.	Theoretical Discussion	155
3.	Policy Recommendation	157
4.	Limitation of Study and Suggestion for Further Study	159
