

TABLE OF CONTENTS

	Page
Acknowledgements.....	iii
Abstract (Thai).....	v
Abstract (English).....	vii
Table of contents.....	ix
List of tables.....	xiii
List of figures.....	xiv
 Chapter 1 Introduction.....	 1
Background and significance of research problem.....	1
Objectives of the study.....	9
Research questions.....	9
Definition of terms.....	9
 Chapter 2 Review of Literature.....	 11
Adolescent sexual development.....	11
Adolescent sexual and reproductive health	28
Sexual and reproductive health education programs.....	37
Research studies related to sexual and reproductive health education.....	 42
Existing sexuality education curriculum.....	45

TABLE OF CONTENTS (Continued)

		Page
	Sexual and reproductive health education in Thailand.....	50
	Theoretical framework.....	53
Chapter 3	Methodology.....	57
	Research design.....	57
	Participants of the study.....	60
	Research procedures.....	61
	Ethical consideration.....	84
Chapter 4	Results.....	85
	Background and characteristics of stakeholders.....	85
	Results from conducting needs assessment regarding the desired SRH education program.....	94
	The SRH education program based on participatory development process	120
	Results from implementing the SRH education program.....	135
	Conclusions from a workshop for critiquing the program and advocating policy	165
Chapter 5	Discussion, Conclusion, Implications and Recommendations	175
	Discussion.....	175

TABLE OF CONTENTS (Continued)

	Page
Conclusion of the findings.....	175
Implications for nursing practice.....	196
Implications for nursing education.....	197
Implications for nursing research.....	198
Implications for policy advocacy.....	199
Implications for Ministry of Education.....	200
Lesson learned.....	201
Recommendations for further study.....	202
Limitations of the study.....	203
References.....	205
Appendices.....	225
Appendix A Project proposal.....	226
Appendix B Instruments.....	231
1. The demographic data sheet.....	232
2. Questionnaire of knowledge and attitude toward sexual and reproductive health (pre and post-test).....	237
3. The open-ended question for program evaluation.....	242
4. The interview guidelines for focus group discussion.....	244
