ACKNOWLEDGEMENTS

I would like to express my sincere gratitude to my supervisor, Professor Amnuay Kananthai, for his initial idea, guidance and encouragement which enable me to carry out my study successfully.

This work contains a number of improvement based on comments and suggestions provided by Assoc. Prof. Dr. Suthep Suantai, Dr. Gumpon Sritanratana. It is my pleasure to express my sincere thanks to them for their generous assistance.

It is my pleasure to express my sincere thanks to Mr. Kamsing Nonlaopon for his generous assistance.

Thanks are also extended to my friend, Mr. Peerapong Suebsan, Mr. Buncha Panyanak, who constantly typed and furnished my papers and the entire manuscript.

Moreover, I gratefully appreciate my beloved parents, brother, and Grandmother for their love and encouragement.

Jessada Tariboon
