ACKNOWLEDGEMENTS

This independent study could not have been completed without a number of people who have attributed a great deal of contribution as well as assistance for this research.

I would like to express my sincere and deep appreciation to Asst.Prof. Panit Boonyavattana, my advisor, for her guidance, valuable advice, comments, encouragement and refinement of my work.

My sincere thanks go out to my co-advisors, Assoc.Prof. Arunee Wiriyachitra and Assoc.Prof. Supannee Pinmanee for their valuable advice, and comments concerning my work.

My special thanks to my Mr. Louis Jochusri and Mrs. Pramee Ferguson for their comments and editing of my work.

Finally, I feel very thankful to my beloved family who has given me moral support and understanding. This independent study would not have been successful without them.
