

TABLES OF CONTENTS

	Page
Acknowledgements	iii
Abstract	v
Table of contents	ix
List of tables	xiii
List of figures	xiv
Chapter 1 Introduction	1
Background and significance of research problem	1
Objective of the study	8
Research questions	8
Definition of terms	9
Scope of the study	10
Chapter 2 Review of Literature	11
Benefits of breast milk for preterm infants	11
Breastfeeding initiation and duration in preterm infants	13
Factors associated with breastfeeding of term infants	15
Factors associated with breastfeeding of preterm infants	39
Management of the promotion of breastfeeding in preterm infants	44
The situational context	55

TABLES OF CONTENTS (Continued)

	Page
Chapter 3 Research Methodology	65
The study design	65
Reasons for selecting PAR for the study	66
Participants of the study	68
Setting	69
Data collection	70
Ethical considerations	78
Trustworthiness	79
Data analysis	83
Reflection	86
Chapter 4 Findings and Discussion	95
General characteristics of the Participants	95
Research question1: What are the breastfeeding problems among preterm Infants at BMA Medical College and Vajira Hospital?	98
Research question 2: What is the breastfeeding support program for preterm infants that will enhance practical nursing practice at BMA Medical College and Vajira Hospital?	111
Research question3: How do the researcher and the participants develop the breastfeeding support program for preterm infants?	114

TABLES OF CONTENTS (Continued)

	Page
Research question 4: What are the outcomes of implementing the breastfeeding support program for preterm infants?	123
Discussion	126
Chapter 5 Conclusions and Recommendations	158
Conclusions	158
Implications	161
Recommendations for further study	163
Limitations of the study	164
References	165
Appendices	210
Appendix A Conversation Guides	211
Appendix B List of Validators	215
Appendix C Types of food fed to preterm infants at PU in June and December 2003	216
Appendix D Types of food and methods of feeding to preterm infants at PU in June and December 2003	217
Appendix E Types of food fed to preterm infants for each meal at PU in June and December 2003	218
Appendix F The Breastfeeding Support (BS) Program for preterm Infants	219

TABLES OF CONTENTS (Continued)

	Page
Appendix G The Breastfeeding Assessment and Record Form	228
Appendix H IRB Approval	230
Appendix I Consent to Participate in a Research Study	233
Curriculum vitae	235
