ACKNOWLEDGEMENT

I would like to take this opportunity to express my sincere gratitude and deep appreciation to my advisors, (i) Assoc. Prof. Dr. Busaban Sirithunyalug, Department of Pharmaceutical Sciences, Faculty of Pharmacy, Chiang Mai university, (ii) Assoc. Prof. Dr. Kom Sukontason, Department of Parasitology, Faculty of Medicine, Chiang Mai University, Lecturer Dr. Apiwat Baramee, Department of Chemistry, Faculty of Sciences, Chiang Mai University and (iv) Asst. Prof. Dr. Kornkanok Ingkaninan, Department of Pharmaceutical Chemistry and Pharmacognosy, Faculty of Pharmaceutical Sciences, Naresuan University.

My sincere and grateful appreciation are expressed to Dr. Sumalee Kamchonwongpaisan and Miss Roonglawan Rattanajak, National Center for Genetic Engineering and Biotechnology, National Science and Technology Development Agency, Pathumthani, Thailand.

I am most appreciative of Japanese government (MONBUKAGAKUSHO) for research student scholarship; Ministry of University Affairs, Thai government for research grant; Queen Sirikit Botanical Garden, Chiang Mai, for plant materials; and Faculty of Pharmaceutical Sciences, Naresuan University and Faculty of Pharmacy, Chiang Mai University for research facilities.

My deepest gratitude are extended to Toyota Sensei (Assoc. Prof. Dr. Masahiro Toyota), Department of Organic Chemistry, Graduate School of Pharmaceutical Sciences, Tohoku University; Prof. Dr. Yusuke Wataya, Faculty of Pharmaceutical Sciences, Okayama University; and all my friends in Sendai.

Finally, I would like to say “Domo Arigato Gozaimusu” to MONBUKAGAKUSHO advisor, Full Prof. Dr. Masataka Ihara, and Dr. Kiyosei Takasu.

Chalerm Saiin
