Abstract (Thai)	v
Abstract (English)	viii
List of Tables	xiii
List of Figures	xv
Abbreviations and definitions	xvii
CHAPTER I: Introduction	1
1.1 Background	1
1.2 Rationale of study	5
1.3 Objectives of study	6
1.4 Scope of study	6
CHAPTER II: Literature Review	8
2.1 Definition and concept	8
2.2 Determinants of household food security	12
2.3 National food self sufficiency versus food security.....	14
2.4 Transitory and chronic food insecurity	16
2.5 Famine versus hunger	16
2.6 Poverty, food insufficiency and food insecurity	17
2.7 Food inflows and outflows in Nepalese households.....	18
2.8 Characteristics of Nepalese households.....	19
CHAPTER III: Research Methods	23
3.1 Conceptual framework.....	23
3.2 Site selection	26
3.3 Data collection	26
3.3.1 Household survey.....	26
3.3.2 Group discussion.....	28
3.4 Analysis.....	28

Table of contents (Cont.)

	Page
CHAPTER IV: Description of the Study Site	32
4.1 Climate of the district	32
4.2 Location and population in VDCs	33
4.3 Demography and caste/ethnicity	35
4.3.1 Demography	35
4.3.2 Caste/ethnicity	35
4.4 Characteristics of agriculture	38
4.4.1 Land and landholding	39
4.4.2 Labor	45
4.4.3 Capital	48
4.4.4 Credit	49
4.4.5 Education of farm household heads	51
4.4.6 Types of farming systems	52
4.4.7 Ethnicity and farming system	54
4.4.8 Crop production	57
4.4.9 Livestock production	58
4.5 Agricultural expenditure	61
4.6 Food consumption and household income	63
4.7 Immigration and food pressure	68
4.8 Government policies	69
CHAPTER V: Food Insecurity and Factor Affecting Food Insecurity	71
5.1 Food sources	71
5.2 Food availability and food security	74
5.3 Seasonality of food insecurity	82
5.4 Factors affecting food insecurity	84
5.5 Factor affecting food availability	86

Table of contents (Cont.)

CHAPTER V: Conclusions and Recommendations	94
6.1 Conclusions.....	94
6.2 Recommendations.....	98
6.3 Future possible researches	101
References.....	102
Appendix 1.....	107
Appendix 2.....	109
Appendix 3.....	111
Appendix 4.....	112
Appendix 5.....	113
Curriculum Vitae.....	114

List of Tables

Table	Page
1.1 Edible cereal grains production and requirement in Nepal.....	2
1.2 Contribution of different sectors on GDP of Kailali district.....	4
2.1 Dimensions of food insecurity	11
2.2 Number and area of landholding by size	20
3.1 Composition of samples from three VDCs of the study area	27
4.1 Average annual rainfall taken in the district headquarter of Kailali district (1997 to 2001)	33
4.2 Number of household and population of selected VDCs.....	33
4.3 Population of Kailali district classified by age group.....	35
4.4 Percentage of population in selected VDCs classified by different caste/ethnic group	38
4.5 Major problem in agriculture with their priority of the study area.....	39
4.6 Land use classification of Kailali district.....	40
4.7 Households under different categories of landholding.....	44
4.8 Number of households classified by sources of loan under different caste/ethnic groups.....	51
4.9 Major cropping systems under different condition of Kailali district.....	54
4.10 Comparison of average size of landholding (in <i>Kattha</i>) and animal equivalent units.....	55
4.11 General farm characteristics under different caste/ethnic group.....	56
4.12 Area, production and yield of major cereals and cash crops in Kailali district ..	58
4.13 Number of households that keep food from their year's production	64
4.14 Income state changes during last ten years under different caste/ethnic group..	65
4.15 Household head's years of education under different caste/ethnic group	66
4.16 Percentage contribution of income from different sources to the total income of household	68
4.17 Causes of immigration	69

List of Tables (Cont.)

Table	Page
5.1 Different sources of food (cereals) under different caste/ethnic group	72
5.2 Average percentage of calories contribution from different sources of food	74
5.3 Average calories per adult equivalent per day under different caste/ethnic group	75
5.4 Situation of food insufficiency in different caste/ethnic groups	77
5.5 Average months of food insufficiency of some food items by own production	78
5.6 Average months of food sufficiency of some food items by own production.....	79
5.7 Number of food secure households under each caste/ethnic group.....	80
5.8 Food secure households and their land ownership	81
5.9 Number of food secure households under each caste/ethnic group.....	82
5.10 Trends of expenditure, income, labor shortage, food shortage and diseases on plan and human beings in the study area.	83
5.11 Model selection criteria of four competitive models	90
5.12 Estimated coefficient and their statistical values of factors affecting food availability at the household level in Kailali district, Nepal using log-linear model (Model II).....	92

List of Figures

Figure	Page
2.1 Conceptual framework for examining household food security.....	12
2.2 Determinants of household food security	14
2.3 Food inflows and outflows in the Nepalese households.....	19
3.1 Hierarchies of the food insecurity.....	23
3.2 Conceptual framework and procedure of studying of household food insecurity.....	25
4.1 Map of Nepal showing Kailali district	34
4.2 Location of sampled VDCs of Kailali district	34
4.3 Average size of landholdings under different caste/ethnic group.....	41
4.4 Average size of irrigated landholdings under different landholding categories.	43
4.5 Average calories per adult equivalent under different landholding categories...	45
4.6 Average number of people in family under different caste/ethnic group	46
4.7 Average number of economically active members in household under different caste/ethnic groups.....	47
4.8 Distribution economically active male and female members under different caste/ethnic group	48
4.9 Average stock of capital under the households' of different caste/ethnic group after removing the outliers	49
4.10 Average amount of loan taken by different caste/ethnic group	50
4.11 Average calories per adult equivalent by the households head's years of education	52
4.12 Indices of different types of livestock population Kailali district. (1997/98 to 2002/03)	59
4.13 Indices of meat, egg and milk production in Kailali district. (1997/98 to 2002/03)	60

List of Figures (Cont.)

Figure	Page
4.14 Distribution of the average of animal equivalent units under different caste/ethnic group	61
4.15 Average expenditure on agriculture by different caste/ethnic group.....	62
4.16 Average expenditure per unit of land per unit of livestock unit	63
4.17 Average off-farm income of different caste/ethnic group	67
5.1 Number of households that bought food from the market by caste/ethnic groups.....	73
5.2 Average months of insufficiency among the different caste/ethnic groups.....	76
5.3 Seasonality of food insecurity.....	84
5.4 Rich picture of food insecurity	85
