Abstract (English)	v
Abstract (Thai)	vii
List of tables	xii
List of figures	xiv
Chapter 1 Introduction	1
Background and significance of research problem	1
Objective of the study	9
Research questions	9
Scope of the study	9
Definition of terms	9
Chapter 2 Literature review	11
Part One: Health promotion in the current society	11
Definition of health promotion	11
Revolution of health promotion concept	12
Principles of health promotion	14
Part Two: Health promoting school	17
Definition of health promoting school	17
Concept of health promoting school	18

Chapter 2 Literature review (continued)

Health promoting school in other countries 22

Health promoting school in Thailand 28

Conceptual framework 69

Chapter 3 Methodology 73

Research design 73

Study setting 74

Participants 76

Instruments 78

Methods of data collection 81

Data collection procedure 84

Ethical considerations 85

Analysis of data 86

Chapter 4 Findings and discussions 88

Part I: General information of schools and
general characteristics of participants 88

Part II: Description and comparison the similarities and differences
of the implementation of Health Promoting Schools 93

Part III: Conclusion of factors influencing the similarities and
differences in implementing Health Promoting Schools
and factors influencing the success in implementing
Health Promoting Schools 175

Discussions 178

Chapter 5 Conclusion and recommendations	185
Recommendations	192
Contribution to nursing	194
Limitation of the study	195
References	196
Appendices	208
Appendix A Demographic data form	209
Appendix B General information of school	211
Appendix C Interview guidelines for directors/principals	221
Appendix D Interview guidelines for teachers	223
Appendix E Focus group guideline for school children	225
Appendix F Observation guidelines	228
Appendix G Consent form of the participants	230
Appendix H Assent form of the participants	234
Appendix I Assessment scores of ten components of Health Promoting Schools	238
Appendix J List of experts for instrument validation	243
Curriculum vitae	245

LIST OF TABLES

Table	Page
4-1 General information of school	89
4-2 Sex Age Marital status Religion Educational level of participants in health promoting school group	90
4-3 Sex Age Marital status Religion Educational level of participants in comparative school group	91
4-4 Similarities and differences of policy dissemination	98
4-5 Similarities and differences of management in school	111
4-6 Similarities and differences of stakeholder participation in school	125
4-7 Similarities and differences of environmental in school	135
4-8 Similarities and differences of school health services	143
4-9 Similarities and differences of health education in school	149
4-10 Similarities and differences of nutrition and safety food services in school	156
4-11 Similarity and differences of exercise, sport, and recreation activities in school	161
4-12 Similarities and differences of counseling and social support activities in school	167
4-13 Similarities and differences of health promotion activities for staff in school	172

Table	Page
I1 Scores of policy component by comparative to the assessment standard of health promoting schools in 2003	238
I2 Scores of management component by comparative to the assessment standard of health promoting schools in 2003	238
I3 Scores of community participation component by comparative to the assessment standard of health promoting schools in 2003	239
I4 Scores of environmental health component by comparative to the assessment standard of health promoting schools in 2003	239
I5 Scores of school health services component by comparative to the assessment standard of health promoting schools in 2003	240
I6 Scores of health education component by comparative to the assessment standard of health promoting schools in 2003	240
I7 Scores of nutrition and safety foods component by comparative to the assessment standard of health promoting schools in 2003	241
I8 Scores of exercise, sport, and recreation component by comparative to the assessment standard of health promoting schools in 2003	241
I9 Scores of counseling and social support component by comparative to the assessment standard of health promoting schools in 2003	242
I10 Scores of health promotion for staff component by comparative to the assessment standard of health promoting schools in 2003	242

LIST OF FIGURES
