ACKNOWLEDGEMENTS

I wish to express my gratitude and appreciation to Assistant Professor Dr. Surapol Natakankitkul, my advisor, for his encouragement and helpful guidance throughout my study.

I would like to say special words of thanks to Associate Professor Dr. Jakkapan Sirithunyalug and Dr. Apinun Aramrattana, my co-advisors, for their advice and suggestions. My special thanks are also due to Associate Professor Dr. Busaban Sirithunyalug, my best friend, for her advice and encouragement throughout the study.

I would also like to express my sincere thanks to Associate Professor Dr. Pongruk Sribanditmongkol and Mr. Pithaya Jinawat, the director of the Northern Narcotics Control Office, Thailand, for serving on the examining committee and also for their very kind advice and suggestions.

I am thankful to Dr. Eugene Alfred Adam, my beloved husband, who warmly supports me in making this study a success.

This research was partly financed by the Northern Narcotics Control Office, Thailand.

This work is dedicated to those who are fighting in the war against drug trafficking.
