ACKNOWLEDGEMENTS

I would like to express my sincere gratitude to my supervisor, Assoc. Prof. Dr. Vites Longani, for his initial idea, guidance and encouragement which enable me to carry out my study successfully.

I also thank to all teachers for their previous valuable lectures during my study at the department of mathematics of Chiang Mai University.

I wish to thank all of my friends for their useful help and warm friendship.

Moreover, I gratefully appreciate my beloved parents, and brother for their love and encouragement.
