ACKNOWLEDGEMENT

I gratefully acknowledge the contributions of the following people who help to create this thesis. Associate Professor Dr. Prachya Kongtawelert, for his superb efforts, excellent guidance, and continuous discussion. Without his support and encouragement, this thesis would not successfully execute.

Special appreciation is extended to co-adviser, Assistant Professor Dr. Siriwan Ong-Chai, for her comments, suggestions, valuable consults in the research, and her attention to all detail.

Grateful acknowledgement is extended to examining committee members Dr. Udompun Khansuwan and Assistant Professor Dr. Nantarit Chokethaworn for their valuable advice and suggestions were greatly helpful in completing this thesis.

I would like to extend my gracious thanks to Associate Professor Dr. Prasong Khoonanuwatchaidet, Assistant Professor Dr. Anchalee Pongchaidecha, Dr. Somdet Srichairatanakool, Dr. Suwiwek Lipigorngoson, and Dr. Amornrat Kanjanahaluethai for their grateful advice and for encouragement throughout this research.

I am always thankful to all the wonderful staff members of the Department of Biochemistry, Faculty of Medicine. Their teachings and suggestion during the course work were very helpful for the understanding of thesis.

Special thanks; Tumor Markers Laboratory, Department of Biochemistry, Faculty of Medicine, Medical Science Research Equipment Center, Faculty of Medicine, Chiang Mai University, Lampang Cancer Center, Department of Medical Services, Ministry of Public Health, Thailand for special support of samples and equipments used in this study.

The chemicals and equipments were supported by The National Research Council of Thailand (Drug, Chemicals and Medical Equipments Programme), Faculty of Medicine, Chiang Mai University.

I would like to express sincere thanks to Mr. Tongkham Taya, excellent lab technician, Mr. Somphon Phraephan, excellent brother, Mr. Worakarn Wongchamkhan, excellent cheerful brother, for their assistance, inspiration, encouragement and friendship during this study.

I am always grateful to Miss Irene, Miss Khanokwan Jeerathrap, Miss Sudatip, Miss Wasana Pratchayasakul, Miss Jiraporn Suwan, Miss Weerawan Leewapongpian, Miss Sakaewan Ounjiajean, Miss Chonthida Thephinlap, Miss Mathanaporn Boonrao, Miss Kanjana Pangjit, Mr. Suphachai Yodkeele, Mr. Wittawas Sadjapong, for their kindly help, inspiration and encouragement, also many thanks for my friend for their kindness and friendship.

Finally, I would like to express my deepest gratitude to my parents (Mr. Prasert and Mrs. Phisamai Poolmas) and my sister (Miss Jiraporn Poolmas) for their love, understanding, wonderful inspiration, emotional assistance and always encouragement throughout the study. These will be kept in my mind forever.

Thanapong Poolmas
