ACKNOWLEDGEMENTS

I would like to express my sincere thanks and appreciation to advisor, **Assoc. Prof. Dr. Suree Phutrakul**, for her kind advice, invaluable guidance and encouragement throughout this research work

Also, I appreciated the kindness of **Prof. Dr. Shui-Tein Chen**, Institute of Biological Chemistry, Academia Sinica, supporting the equipments even the budgets when I stayed in Taiwan including **Dr. Supachok Sinchaikul**, he gives worthy suggestions for paper publications even paper corrections.

Thank for **Prof. Dr. Joseph A. Loo**, Director of Proteomics and Mass spectrometry core facilities at University of California, Los Angeles, United states. He indeed made me feel invaluable impressive since I have been in Los Angeles, and kindly aided me not only for research but also the accommodation in Los Angeles. I am gratefully thanks for **Asst. Prof. Dr. Boonyaras Sookkheo**, Department of Chemistry, Rangsit University, **Asst. Prof. Dr. Hataichanoke Niamsup** as well as **Dr. Dararat Tongkao** for giving usefully advice. Thank for my friends, both in Taiwan and United states, they helped my life in each place was going smoothly.

I am gratefully acknowledged for **The Thailand Research Fund (TRF)** for supporting the scholarship through the Royal Golden Jubilee Ph.D. program.

Finally, I would like sincerely express lovely thanks for my family, father, mother as well as my sister. They are really the wind beneath my wings.

Supachai Topanurak
