.....CHAIRPERSON
Professor Dr. Tavisakdi Ramingwong

.....MEMBER
Associate Professor Dr. Kriengsak Srisuk

.....MEMBER
Assistant Professor Dr. Fongsaward S. Singharajwarapan

ACKNOWLEDGEMENTS

I would like to express my sincere gratitude to my supervisor, Dr. Fongsaward S. Singharajwarapan, for her advice during preparation of this thesis and on the field works.

My sincere thanks go to Mr. Kriangsak Pirarai for kindly editing my written English.

I wish to express my appreciation of Ms. Fuangchat Chanthawangso for her assistance in geographical information system and providing hydrogeological data and spatial data.

My special thanks go to Ms. Pet-Hiang Subtavewung who supports me in every aspect.

Terdsak Subtavewung
