Acknowledgement

I wish to express my deepest gratitude to my Independent Study advisor Dr. Pisanu Wongpornchai for his continuous supervision; guidance and invaluable suggestions as well as providing me reference reading material throughout the whole period of this project.

My thanks are also extended to my Independent Study co-advisor Dr. Sarawute Chantraprasert for his suggestions and inspiration throughout this project.

I wish to thank Mr. Anuroj Napattaloong, Chief Geology, Chevron Thailand Exploration and Production, Ltd. for his time and effort to correct my report and for giving me valuable suggestions.

I also wish to thank Mr. Sidney Rieb for his time and effort to check and correct my report.

I am very grateful to PTT Exploration and Production Public Company, Thailand for funding my study at Chiang Mai University.

I am also thankful to the Government of Bangladesh for selecting me for the scholarship program provided by PTT Exploration and Production Public Company, Thailand.

Finally, my particular thanks go to my parents and my wife for their encouragement throughout my studies abroad.

Md. Rezaul Hafiz
