ACKNOWLEDGEMENTS

I would like to express my sincere gratitude to my supervisor, Professor Amnuay Kananthai, for his initial idea, guidance and encouragement which enable me to carry out my study successfully.

This work contains a number of improvement based on comments and suggestions provided by Assoc. Prof. Dr. Vited Longani, Dr. Gumpon Sritanratana. It is my pleasure to express my sincere thanks to them for their generous assistance.

It is my pleasure to express my sincere thanks to Mr. Jessada Tariboon for his generous assistance.

I wish to thank all of my friends for their useful help and warm friendship.

Moreover, I gratefully appreciate my beloved parents, and brothers for their love and encouragement.

Asawathep Cuntavepanit
