## ACKNOWLEDGEMENTS

I am indebted to many persons who are involved in the completion of this study. First and foremost, I wish to express my deepest gratitude to Asst. Prof. Wichian Sunithum, the chairperson of my independent examining committee, for his valuable advice, motivation, and also encouragement from the beginning until today. Without his understanding and unfailing support, this study will not reach the success.

I want to express my heartfelt thanks to Assoc. Prof. Arunee Wiriyaajitra, committee member of this study, for her worthwhile critics which finally lead to the completion of this research.

I also wish to specially thanks for Assoc. Prof. Dr. Ekkarat Boonchieng, committee member from the Faculty of Science, Chiang Mai University, for his comments and suggestions throughout my study.

May I give a lot of thanks to my generous friend, Natee, who helps with the editing and building up beautiful English writing, English Department, Graduate Program for an opportunity to fulfill my dream in continuing the Master's Degree.

Last but certainly not the least, this study will not be able reach to its end without the continuous helping and inspiration from my parents, especially my husband, and staffs of the Chiang Mai University Library, Chiang Mai University, all of whom I owe a great deal.
