#### LIST OF TABLES

Table	03181916	Page
1	Cognitive-mindfulness practice program centered on the four	
	foundations of mindfulness and cognitive theory	89
2	Demographic variables of the control and experimental groups	99
3	The difference in depression scores between groups	
	and points of measurement	101
4	Comparison of depression scores between the control and	
12	experimental groups at each points of measurement	103
5	Comparison of depression scores between each points of measurement	
	in the control and experimental groups	104
5	Pairwise comparisons of depression scores between each points	
	of measurement in the control and experimental groups	105
