| CHAPTER 2 REVIEW OF LITERATURE | 8 |
| Development of Local Curriculum | 8 |
| Research and Development of Local Curriculum | 10 |
| Constructionism Theory Learning Process | 12 |
| Participatory Action Research | 15 |
| Evaluation of Abilities in Research and Development of Local Curriculum | 24 |
| Conceptual Framework of the Research | 29 |
| CHAPTER 3 RESEARCH METHODOLOGY | 31 |
| Target Group | 31 |
| Research Sites | 31 |
| Research Tools | 32 |
| 1. Process for Developing the Abilities in Research and Development of Local Curriculum of Northern Community Teachers | 32 |
| 2. Tools for Developing the Abilities in Research and Development of Local Curriculum of Northern Community Teachers | 33 |
| 3. Tools for Measurement and Evaluation Abilities in Research and Development of Local Curriculum of Northern Community Teachers | 34 |
| Data Collection | 36 |
| The Data Analysis and Interpretation | 37 |
| CHAPTER 4 RESULTS OF RESEARCH | 39 |
| The Model for Developing the Ability in Research and Development of Local Curriculum of Northern Community Teachers through the Constructionism Theory Learning Process Integrated with Participatory Action Research | 39 |

| | PAGE |
|--|-------------|
| The results of the implementation of the model to develop abilities in research and development of local curriculum of northern community teachers through the constructionism theory learning process integrated with the participatory action research | 56 |

LIST OF TABLES

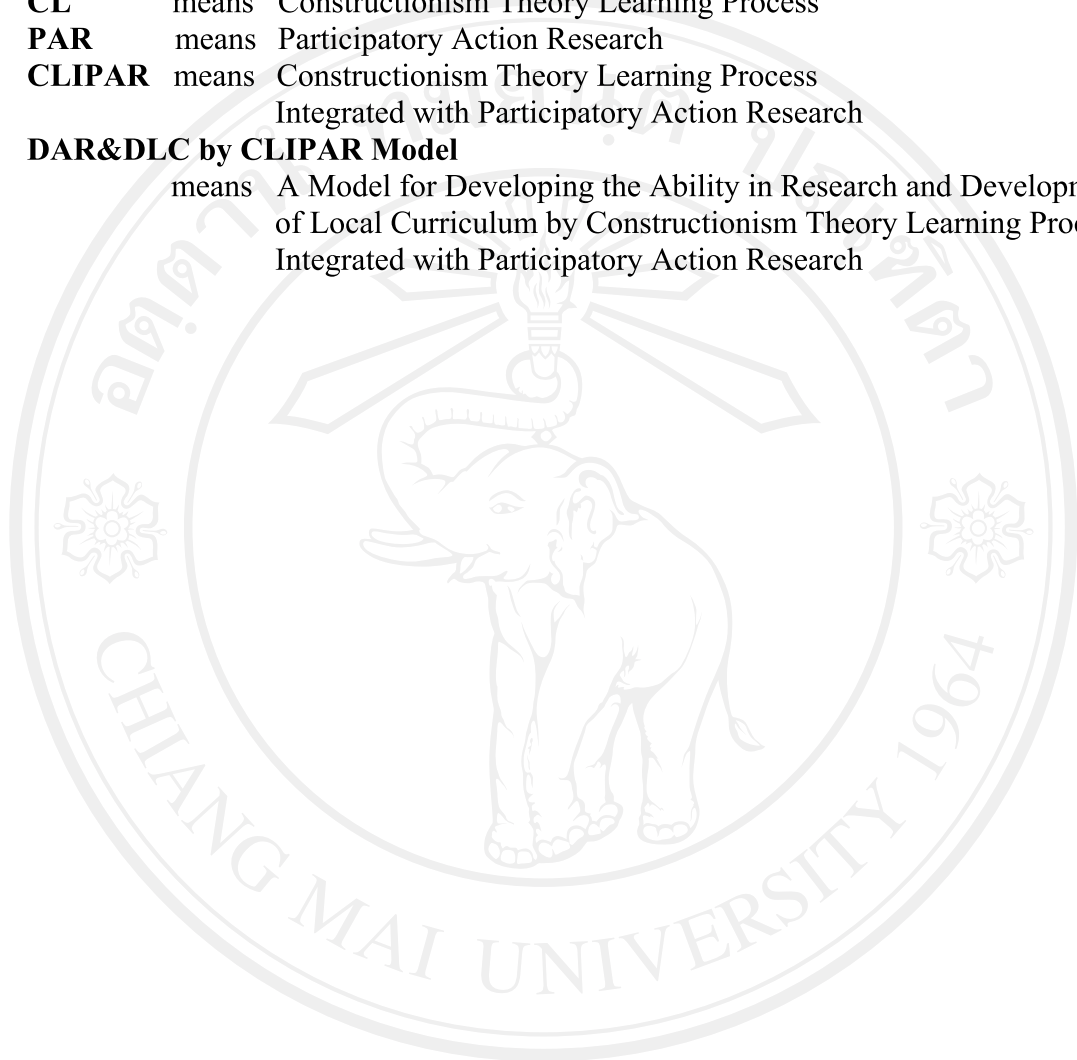

| TABLE | | PAGE |
|--------------|--|-------------|
| 1 | Average score on abilities in research and development of local curriculum of the community teachers before and after the development, the percentage of the development, and the result of development as the whole picture. | 56 |
| 2 | Average score on abilities in research and development of local curriculum of the community teachers before and after the development, the percentage of the development, and the result of development on Topic 1: study and analysis of the context of local communities that lead to identification of research issues and development of local curriculum. | 58 |
| 3 | Average score on abilities in research and development of local curriculum of the community teachers before and after the development, the percentage of the development, and the result of development on Topic 2: basic preparation for the implementation of research and development of local curriculum. | 59 |
| 4 | Average score on abilities in research and development of local curriculum of the community teachers before and after the development, the percentage of the development, and the result of development on Topic 3: preparation for the methodological steps of research and development of local curriculum. | 61 |
| 5 | Average score on abilities in research and development of local curriculum of the community teachers before and after the development, the percentage of the development, and the result of development on Topic 4: step of implementation of research and development of local curriculum according to the plan and/or the prepared research timeline. | 62 |
| 6 | Average score on abilities in research and development of local curriculum of the community teachers before and after the development, the percentage of the development, and the result of development on Topic 5: step of publication of the implementation and distribution of the results of research and development of local curriculum. | 63 |

| 1 The Learning Process of Constructionism Theory | 14 |
| 2 The Action Research Cyclical diagram of Lewin | 16 |
| 3 Diagram of the Process of Developing the Ability in Research and Development of Local Curriculum of Northern Community Teachers Through the Integration of Constructionism Theory Learning Process and Participatory Action Research | 23 |
| 4 The Diagram of Conceptual Framework of the Research | 30 |
| 5 DAR&DLC by CLIPAR Model : A Model for Developing the Ability in Research and Development of Local Curriculum by Constructionism Theory Learning Process Integrated with Participatory Action Research | 48 |
| 6 The Diagram of CLIPAR : Constructionism theory Learning process Integrated with Participatory Action Research | 50 |
| 7 Shown the Diagram of the details in Step 1 of the CLIPAR | 51 |
| 8 Shown the Diagram of the details in Step 2 of the CLIPAR | 52 |
| 9 Shown the Diagram of the details in Step 3 and Step 4 of the CLIPAR | 53 |
| 10 Shown the Diagram of the research and development of local curriculum of the community teacher | 54 |
| 11 The model to arrange small size groups to develop the community teachers' abilities in research and development of local curriculum which is used in the implementation of this research that had efficiency | 55 |
| 12 Conclusion of the Whole Picture of the Result Analysis | 75 |

ABBREVIATIONS

- CL** means Constructionism Theory Learning Process
PAR means Participatory Action Research
CLIPAR means Constructionism Theory Learning Process
Integrated with Participatory Action Research
DAR&DLC by CLIPAR Model
means A Model for Developing the Ability in Research and Development
of Local Curriculum by Constructionism Theory Learning Process
Integrated with Participatory Action Research
