ACKNOWLEDGEMENTS

I would like to express my sincere gratitude to my supervisor, Assoc. Prof. Dr. Piyapong Niamsup, for his initial idea, guidance and encouragement which enable me to carry out my study successfully.

I also thank to all teachers for their previous valuable lectures during my study at the department of mathematics of Chiang Mai University.

I wish to thank all of my friends for their useful help and warm friendship.

Thanks are also to my senior, Mr. Thongchai Botmart, who constantly typed and furnished my papers and the entire manuscript.

Moreover, I gratefully appreciate my beloved parents, and sisters for their love and encouragement.

Wajaree Weera
