ACKNOWLEDGEMENTS

I would like to express my sincere gratitude to my adviser, Assist. Prof. Dr. Srichan Arworn, for her helpful suggestion and generous support on my investigation.

My special appreciation is expressed to Prof. Dr. Piotr Wojtylak and Dr. Sayan Panma for many valuable comment and helpful suggestions.

I gratefully appreciate my beloved parents for their love and encouragement.

Finally, I would like to express my special thanks to my friends for their suggestions and their great relationships.
