ACKNOWLEDGEMENT

I would like to thank the Faculty and staff of the Department of Pharmaceutical Technology at Chiang Mai University and for the opportunity to pursue my graduate studies. The financial support part of this work by National Research Council of Thailand (NRCT) is gratefully acknowledged. Also, I wish to thank my dean of the Faculty of Pharmacy at Huachiew Chalermprakiat University, Assoc. Prof. Dr. Chantra Shaipanich for her concerns, as well as my Assist. Dean, Dr. Prasart Charoenpanith for his interesting discussions during this work.

A very special gratitude goes to my advisor, Assoc. Prof. Dr. Jakkapan Sirithunyalug for his constant guidance and support during this study. I am grateful for his professional advice and suggestions, as well as for his assistance while working under his supervision.

I wish to gratefully acknowledge the committee members, Assoc. Prof. Dr. Siriporn Okonogi, Assoc. Prof. Dr. Busaban Sirithunyalug, Assist. Prof. Dr. Songwut Yotsawimonwat and Dr. Poranee Puranajoti for their support and valuable discussions. I am thankful to my parents and my husband Supachoke, my children Sarinya and Suthilux for their loves and understanding. A sincere thanks to my contemporaries and friends, Dr. Tuanjit Jitaree, Chawalinee Asawahame, Kannikar Foonant and everybody for their encouragement, the valuable help and constant care during my graduate studies.
