ACKNOWLEDGEMENTS

I wish to express my sincere appreciation to my major advisor, Assoc. Prof. Dr. Phuriwat Leesawat, for his guidance, encouragement and understanding throughout the course of this research.

I am also thankful to Prof. Somsanguan Ausayakhun and Dr. Robert Molloy, for their meaningful consultancy and valuable suggestions.

I would like to thank Assoc. Prof. Pimporn Leelapornpisid and Dr. Pichai Pirakitikulr for being members of my examining committee.

I am very grateful for the financial support from the Faculty of Pharmacy and the BioMedical Engineering Center, Chiang Mai University.

I am also thankful to Ms. Chutiporn Laokul for her assistance.

Last but not least, I take this opportunity to express the profound gratitude to my mom, Karnjana, and dad, Thaweesak, for their kindness, tender love and understanding. I also wish to express my deepest thanks to my husband, Worawit, son, Woratham and daughter, Waristha.
