ACKNOWLEDGEMENT

I am extremely indebted to Associate Professor Sorasak Lhieochaiphant, Faculty of Pharmacy, Chiang Mai University, for his valuable advice, keen interest and encouragement throughout this study.

I would like to express my deep gratitude toward Associate Professor Duangsamorn Limpiti, Faculty of Pharmacy, Chiang Mai University, for her valuable guidance and help.

I am grateful to Associate Professor Duangporn Lhieochaiphant, of Faculty of Pharmacy, Chiang Mai University, for her kind assistance.

I would like to thank Dr. Puckprink Sangdee, Medical Science Specialist 10 for her professional guidance and discussion in this thesis.

I would like to thank all members of the Faculty of Pharmacy, Chiang Mai University, for their friendship, assistance and understanding.

I would like to thank all instructors in the Faculty of Pharmacy, Chiang Mai University, for their teaching and suggestion during the course work which were greatly helpful in completing my graduate study.

Finally, I would like to express my profound gratitude and appreciation toward my family for their love, patience, inspiration, generous understanding and loving support throughout my life.

Pataraporn Ponchana
