ACKNOWLEDGEMENTS

I am much grateful to Assoc. Prof. Dr. Aranya Manosroi, my major advisor for the guidance, advices, patience and the technical supports. My sincere thanks are also to Prof. Dr. Jiradej Manosroi, my co-advisor for his valuable advice and support.

I am also grateful to my foreign co-advisors, Prof. Dr. Rolf G. Werner from Boehringer Ingelheim International GmbH.

I appreciate the partial financial support of my study from the Nanoscience and Nanotechnology Center, Chiang Mai University. I wish to sincerely thank Asst. Prof. Dr. Aphiwat Teerawutgulrag and Mr. Supachai Supakatisant for being the examining committee of my thesis defense.

My sincere thanks are to the Faculty of Pharmacy and all of the staffs and graduated students at Natural Products Research and Development Center (NPRDC), Science and Technology Research Institute, Chiang Mai University.

Finally, I would like to express my deep gratitude to my parents for their continuing warm moral and financial support throughout my study.
