AGKNOWLEDGEMENT

First of all, I would like to thank Faculty of Pharmacy, Chiang Mai University for granting me the opportunity to conduct this research.

Second, I would like to express my great gratitude to my major professor, Assoc. Prof. Dr. Surapol Natakankitkul without whom I would not have been able to carry out this research thesis.

Third, I also am highly grateful for benevolent help and inspired ideas of Assoc. Prof. Dr. Nisit Kittipongpatana, Assoc. Prof. Dr. Renu Pinthong and Emeritus Prof. Dr. Maitree Suttajit.

Last, I would like to thank my friends and family for their love, support and encouragement which helped me get through any difficulties that might had happened.
