VITA

Name   Mr. Wanchak Satsanit
Date of Birth   April 6, 1968
Education Background   Bachelor of Science (B.Sc.) (Mathematics)
                            from Ramkhamhaeng University in 1992,
                            Bangkok, Thailand.
                            Bachelor of Engineering (B.Eng.) (Environmental)
                            from Chiang Mai University in 1994,
                            Chiang Mai, Thailand.
                            Master of Science (M.S.) (Applied Mathematics)
                            from Chiang Mai University in 2002,
                            Chiang Mai, Thailand.
Scholarship   The Thailand Research Fund (RGJ Project) in 2008-2010
