ACKNOWLEDGEMENT

My deeply indebt of gratitude is owned to my thesis advisor, Assoc. Prof. Jintana Sanwong, for her initial idea, guidance, constant instruction, kindness and encouragement which enable me to carry out my study successfully.

Thanks for their constructive comment and suggestion to Assoc. Prof. Dr. Sorasak Leeratanavalee and Asst. Prof. Dr. Chaiwat Namnak.

Thanks are also due to my family for their love, sacrifices and encouragement.
