ACKNOWLEDGEMENT

I would like to express my deep and sincere gratitude to my research advisor, Asst. Prof. Dr. Songwut Yotsawimonwat, for his valuable guidance, everlasting encouragement and great support throughout this research. His guidance contributed to the improvement of my knowledge and experiences.

I would like to express my deep gratitude to my co-advisor Asst. Prof. Dr. Ampai Phrutivorapongkul for her kind suggestions on selection and verification of herbal plants. She provided valuable knowledge that is useful for my research. My gratitude is extended to Assoc. Prof. Dr. Jakkapan Sirithunyalug and Assoc. Prof. Dr. Suporn Charumanee for their valuable advise throughout my study. I would like to extend my appreciation to Asst. Prof. Dr. Sujimon Tunvichien who kindly served as a thesis examining committee.

I appreciate to the Department of Pharmaceutical Sciences, Faculty of Pharmacy, Chiang Mai University of research facilities, including all teaching and non-teaching staffs especially Mr. Nikom Arunvilai, laboratory attendant for his advice on using equipment which was greatly helpful in completing my research.

Finally, I would like to thank my parents for giving birth to me and supporting me spiritually throughout my life and my sister, my brother and my friends for their moral support and encouragement.
