ACKNOWLEDGEMENTS

I wish to acknowledge the assistance in my academic background of all teachers, especially the lectures of all Mathematics in graduate school, Dr. Thanasak Mouktonglang, Asst. Prof. Dr. Piyapong Niumsup, Dr. Rujira Ouncharoen and Dr. Tongchai Dumrongpokaphan.

Thank you so much to Asst. Prof. Dr. Thaned Rojsiraphisal for all his great advices and recommendation, in the light of helping this Thesis successfully achieved.

And a very special appreciation needs to be given to my advisor, Dr. Thanasak Mouktonglang. His kindly help and support, If there are any compliments of the completion of this study, he deserves all of credit and none of blame.

I would like to warmly acknowledge, Dr. Woradorn Wattanapanitch, my beloved brother, who inspires me and supports in every way possible through out the process of this course.

I would like to show my deepest gratitude to my mother, Associate Professor. Narumol Wattanapanich, for her financial, particularly for her unconditional love. Without her my graduate study would never happened and this thesis would not never been possible at all.

Warinsinee Wattanapanich
