ACKNOWLEDGEMENTS

I wish to express my sincere gratitude and deep appreciation to my advisory committee namely Dr. Tippawan Prapamontol, Assoc. Prof. Dr. Prasak Thavornyutikarn, Assoc. Prof. Ampica Mangklabruks, Assist. Prof. Dr. Somporn Chantara, Dr. Choochad Santasup for their invaluable guidance and encouragement throughout my research work. I would like to express my thankfulness to Asst. Prof. Dr. Yuthsak Vaneesorn for chairing the examination committee.

I would like to acknowledge the Thailand Research Fund (TRF, Contract DBG5080018) for granting a research fund.

I sincerely appreciate the Research Institute for Health Sciences, Chiang Mai University for providing facilities during the research work.

Finally, I would like to thank Ms. Tanyaporn Keranoi, Dr. Surat Hongsibsong and all staffs of the friends at the Environment and Health Research Unit, Research Institute for Health Sciences; and Environmental Science Program, Faculty of Science; Chiang Mai University for their kind help and warm friendship throughout the study.
