## ACKNOWLEDGEMENT

I would to express my utmost appreciation and gratitude to my major advisor, Lecturer Dr.Orn-anong Wichaikhum, for her scholarly guidance, extraordinary help, and continuous encouragement throughout to complete my study. My deep appreciation is also to my co-advisor, Professor Dr. Wipada Kunaviktikul, for her intelligent suggestion and sincere help.

I would like to express my heartfelt appreciate to associate professor Dr. Ratanawadee Chontawan, and Assist Professor Dr. Thitinut Akkadechanunt for her care and support since the beginning of my journey. Also I would like to appreciate all expert teachers in the Faculty of Nursing, Chiang Mai University, Thailand who helped me and encouraged me to achieve the study. Their support contributed greatly to my success.

Furthermore, my great thanks to Professor Khin Zaw (Rector of Military Institute of Nursing Paramedical Sciences), Lt Colonel Daw Yin Yin (Military Nursing Superintendent), and all my Teachers from Military Institute of Nursing and Paramedical Sciences, Yangon. They also supported and encouraged me to achieve my goals throughout my student life.

I also owe a debt of sincerest gratefulness to my examination committee: Associate Professor Dr. Kannika Kantaruksa, Assistant Professor Wanpen Eamjoy, and also to my proposal defense committee member Assistant professor Dr. Wanchai Moongtui for their scholarly and insightful comments and guidance. Further, I am also indebted to the nursing Administration cluster and faculty of Nursing, Chiang

Mai University, Thailand, and the China Medical Board for the grant to support me throughout my study. I own special thanks to all colleagues in my class and all CMU Myanmar students for their support and kindness during my stay in Chiang Mai.

A special thanks to members of international relationship department, Directorate of Medical Services (Nayphitaw), for their arrangement of study aboard. Also, I would like to express thanks to Major Daw Mar Mar (Matron, No. (1) DSGH 1000 bedded), and Major Daw Aye Aye Mar (Matron, No.(2) DSGH 1000 bedded) for permission to collect the data at their setting.

Finally, my special and deep thanks go to my parents and my brothers, for their unconditional love and in my personal and professional development.
