ACKNOWLEDGEMENT

I would like to express my great gratitude and deep appreciation to Assoc. Prof. Dr. Panee Sirisa-ard, Asst. Prof. Dr. Damrong Santiarworn, Asst. Prof. Dr. Sunee Chansakaow and Dr. Natthakarn Chiranthanut who have thoroughly guided and encouraged me to complete this thesis.

I would like to extend my gratitude and appreciation to Asst. Prof. Dr. Kiatisak Pholsongkram, examining committee, for his guidance and valuable suggestions to write this thesis completely.

I would like to thank Faculty of Pharmacy, Chiang Mai University for supporting equipment and facilities. This thesis was financially supported by the Graduate School of Chiang Mai University.

My special thanks extend to the Snake Farm, the Queen Saovabha Memorial Institute for naked snake skin. Also my special thanks to teachers, friends, laboratory staffs in the Department of Pharmaceutical sciences for kindly help and valuable suggestions.

Finally, I sincerely grate to my family and every person for every supports. Without all these people, this thesis would not have been completed.

Nilubon Chinprasoet
