ACKNOWLEDGEMENTS	iii
ENGLISH ABSTRACT	iv
THAI ABSTRACT	vi
LIST OF TABLES	x
LIST OF FIGURES	xi
 CHAPTER 1 INTRODUCTION	 1
1.1 Background and Setting	1
1.2 Significance of the Problems	2
1.3 Objectives of the Study	3
1.4 Importance of the Study	4
1.5 Scope and Limitation of the Study	4
1.6 Operational Definition of Terms	4
1.7 Conceptual Framework	6
1.8 Hypothesis Of The Study	7
 CHAPTER 2 REVIEW OF RELATED LITERATURE	 8
2.1 Concepts and theories related to learning and technology adoption	8
2.2 Concepts about video and radio television	13
2.3 Graphic and pictorial illustration	17
2.4 Concepts of the sufficiency economy philosophy	20
2.5 Related researches	27
 CHAPTER 3 RESEARCH METHODOLOGY	 31
3.1 Population and Random Sampling	31
3.2 Research Tools	36

3.3	Pretesting of Instrument	36
3.4	Research Design	38
3.5	Validity of Experimental Design	39
3.6	Data Gathering	42
3.7	Analysis of Data	43
CHAPTER 4	RESULTS	44
Part 1.	Basic data of farmers in Chiang Mai province	44
Part 2.	Learning outcomes of the farmers after watching the video program	60
Part 3.	Opinions of the farmers after watching the video program	69
CHAPTER 5	CONCLUSIONS DISCUSSIONS AND RECOMMENDATIONS	79
5.1	Objective of the Study	79
5.2	Research methodology	79
5.3	Conclusions	80
5.4	Research discussion	83
5.5	Research recommendations	89
REFERENCES		91
APPENDICES		98
APPENDIX A	Questionnaire and Test Paper	99
APPENDIX B	Video Program Script	115
APPENDIX C	Level of Difficulty Index, Discrimination Power and Reliability of the Test Paper	146
CURRICULUM VITAE		150

LIST OF TABLES

Table	Page
1 District classification based on topographic conditions	32
2 Random sampling based on district and sub-district, Chiang Mai province	34
3 Frequency distribution of data related to basic attributes of the farmers	46
4 Frequency distribution of data related to educational attainment proficiency in reading and writing of the farmers	49
5 Frequency distribution of data about main occupation of the farmers and incomes earned from agricultural and non-agricultural sectors	52
6 Frequency distribution of data about agricultural perception and sources of the farmers	55
7 Frequency distribution of data about the agricultural video program training on sufficiency economy and knowledge, and interest of the farmers	58
8 Scores of learning outcomes of the farmers before and after watching the video program and the difference in the scores between and after watching the video program of each farmers group	63
9 An analysis of one-way variance of the basic knowledge about sufficiency economy before watching the video program	64
10 And average mean score and standard deviation of obtained scores of the farmers before and after watching the video program	64
11 An analysis of one – way variance of the learning outcomes score (Post–Test) after watching video program	65
12 An analysis of one – way variance of the learning outcomes scores of the Pre–Test and Post–Test	66
13 Frequency distribution of the learning outcome score of the farmers before and after watching the video program	68
14 Assessment of farmer opinions about the video program	74

LIST OF FIGURES

Figure		Page
1	Conceptual framework of the study	6
2	The Sufficiency Economy Philosophy Framework	22
3	Multi-Stage Random Sampling	35
