ACKNOWLEDGEMENTS

The success of this research would not be possible and not successfully complete without the support, guidance and valuable assistance from several individuals and institutions.

I would like to express sincerely thank to my thesis supervisor Asst. Prof. Dr. Yingmanee Tragoolpua, Department of Biology, Faculty of Science, Chiang Mai University for encouragement, warm guidance, supervision, sincere, understand and valuable support throughout my Ph.D. study.

I would like to thank Asst. Prof. Dr. Sunee Chansakaow, Department of Pharmaceutical Sciences, Faculty of Pharmacy, Chiang Mai University, my thesis co-advisor, for her valuable suggestion during fractionation.

I would like to thank Asst. Prof. Dr. Narumol Thongwai, Department of Biology, Faculty of Science, Chiang Mai University, my thesis co-advisor, for kindness, comments, encouragement and understanding.

I am also thankful to Asst. Prof. Dr. Duangkamol Kunthalert, Department of Microbiology and Parasitology, Faculty of Medical Science, Naresuan University and Dr. Jeeraporn Pekkoh, Department of Biology, Faculty of Science, Chiang Mai University, my examining committee, for her valuable warm suggestions, comments and discussion.

I would like to thank all members of SCB 2711, Microbiology section, Department of Biology, Faculty of Science, Chiang Mai University, and all member of The Northern Research Center for Medicinal Plants, Department of Pharmaceutical

Sciences, Faculty of Pharmacy, Chiang Mai University. Special thanks go to Aomhathi Deethae, Jiraporn Nikomtat, Panitnart Auputtinun, Supakit Khacha-ananda, Thida Kaewkod and other friends who I have not listed their names for their kindly helps in many ways, good advice, suggestion, exchanges of knowledge, expertise and special relationship.

This thesis would not have been possible without the financially supported from The Highland Research (Public organization), Graduate school, Chiang Mai University. Therefore, I sincerely appreciated and deeply gratitued to all my teachers from primary school to university for their knowledge, kindness and good advice.

Finally, my graduation would not be achieved without best wishes from my family members; my mother, Sangown Chaliewchalad, my father, Samart Chaliewchalad, my grandmother, Sunun Chaliewchalad, also my brother and my sister, who I would like to thank everything for giving me greatest love and support. They have been a source of inspiration for me throughout my life.

Pratya Chaliewchalad
