Acknowledgements

It is my great pleasure to thank all those who have supported and helped me during my study at Chiang Mai University, Thailand.

Firstly, I would like to express my deepest thanks and profound appreciation to my advisor, Assistant Professor Dr. Karuna Raksawin, for her critical suggestions, valuable comments and guidance for my research.

My thanks go next to the Faculty of Architecture, Chiang Mai University who offered me this scholarships to study and research in Chiang Mai University. I also would like to thank the staffs and teachers at the Faculty of Architecture, Chiang Mai University for their kind helps and guidance in every aspect on the procedure documents, administrative matter, and knowledge.

Many thanks to my family, the Faculty of Architecture in Hue, my colleagues, and friends who always stand by to encourage and support me.

Pham Manh Hung
