

TABLE OF CONTENTS

	Page
Acknowledgements	iii
Abstract (Thai)	v
Abstract (English)	vii
Table of Contents	x
List of Tables	xiv
List of Figures	xvi
 Chapter 1	
Introduction	1
1.1 Introduction to Microcredit Program	1
1.2 Statement and the Signification of the Problem	4
1.3 Objectives of the Study	5
1.4 Structure of the Dissertation	8
 Chapter 2	
Determinants of Borrowers of Microcredit for Villages and Communities in Thailand	11
2.1 Introduction	12
2.2 Literature Review	14
2.3 Research Methodology	18
2.4 Results	20
2.5 Discussion	28
2.6 Conclusion	30
 Chapter 3	
Determinants of Loan Sizes of Microcredit for Villages and Communities in Thailand	31
3.1 Introduction	32
3.2 Literature Review	34

3.3	Research Methodology	37
3.4	Results	42
3.5	Discussion	47
3.6	Conclusion	48
Chapter 4	Determinants of Consumption and Investment Loan of Village and Urban Community Funds in Thailand	50
4.1	Introduction	51
4.2	Literature Review	53
4.3	Research Methodology	54
4.4	Results	59
4.5	Discussion and Conclusion	64
Chapter 5	Determinants of Borrower's Defaults of Microcredit for Village and Urban Community Funds in Thailand	66
5.1	Introduction	67
5.2	Literature Review	68
5.3	Research Methodology	71
5.4	Results	75
5.5	Discussion	82
5.6	Conclusion	83
Chapter 6	Overdue Debt of Village and Urban Community Funds in Thailand	84
6.1	Introduction	85
6.2	Literature Review	88
6.3	Research Methodology	90
6.4	Results	93
6.5	Discussion	96
6.6	Conclusion	98
Chapter 7	Village Funds, Phones and Home-based Business in Thailand	100

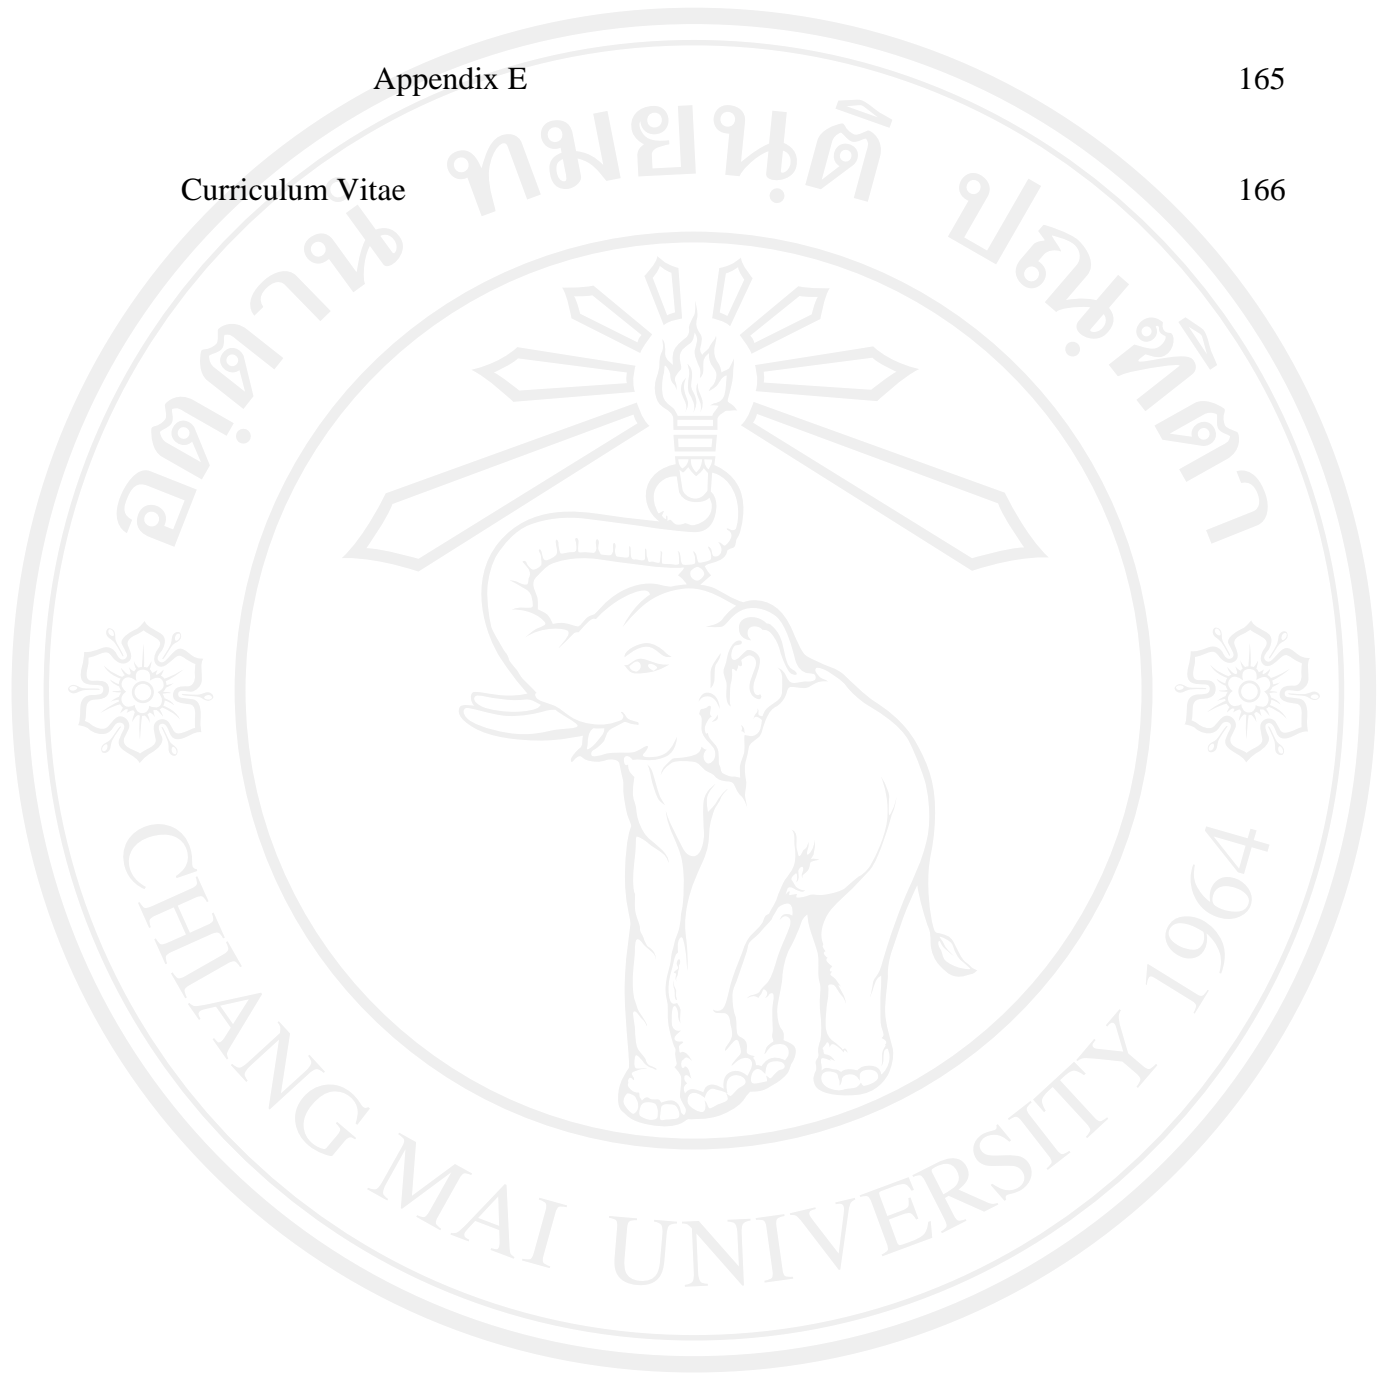

7.1	Introduction	101
7.2	Literature Review	103
7.3	Research Methodology	106
7.4	Results and Discussion	109
7.5	Conclusion	111
Chapter 8	Village Funds, Phones and Poverty Reduction in Thailand	113
8.1	Introduction	114
8.2	Literature Review	116
8.3	Research Methodology	119
8.4	Results and Discussion	121
8.5	Conclusion	123
Chapter 9	Village Funds, Education and Poverty Reduction in Thailand	124
9.1	Introduction	125
9.2	Literature Review	128
9.3	Research Methodology	130
9.4	Results	133
9.5	Discussion and Conclusion	135
Chapter 10	Conclusion and Policy Recommendations	136
10.1	Concluding Remarks	136
10.2	Policy Recommendations	142
10.3	Further research	145

LIST OF TABLES

Table		Page
1.1	Number of Funds and Repayment Ratio of the Village Funds	4
1.2	Methodologies for the Study	10
2.1	Characteristic of the Respondents (Borrower and Non-borrower)	21
2.2	Logit Estimates for Household Borrowing from the Village Fund	24
2.3	The Marginal Effect of the Logit Estimates for Household Borrowing	26
3.1	Microfinance Information by Regions in 2010	33
3.2	Characteristics of Households (Non-borrower and Borrower)	42
3.3	Results from Tobit Model for Determinants of Loan Sizes	43
3.4	Results from Heckman Selection Model for Determinants of Loan Sizes	45
4.1	Number of MVC's Borrowers by Purposes of Loans	52
4.2	Households' Participation in MVC in 2008	58
4.3	Descriptive Statistics of Variables	59
4.4	Univariate Tobit Analysis for Determinants of Consumption and Investment Loan Sizes	60
4.5	Bivariate Tobit Analysis for Determinants of Consumption and Investment Loan Sizes	62
5.1	Descriptive Statistics of Variables	74
5.2	Probit and Bivariate probit Estimation for Determinants of Loan Defaults	75
5.3	Multinomial Probit Estimation for Determinate Multiple Choices of Repayment	78
5.4	Results of Marginal Effect for Loan Defaults	80
6.1	Microfinance Information by Regions in 2009	86
6.2	Statistical Summary of Variables Using in the Model	92
6.3	Heckman Selection Estimation for Determinants of Overdue Debt	94
6.4	Marginal Effect After Heckman Selection Model	96

7.1	Number of Home-based Work Households in Thailand	104
7.2	Percentage of Population Aged 6 Years and Over Use Mobile Phones	105
7.3	Statistical Summary of Variables Using in Bivariate Probit Model	108
7.4	Bivariate Probit Analysis for Determinants of Home-based Business and Phones	109
8.1	Number of Mobile Phones Use in Households According to Economic Status, 2009	116
8.2	Average Household's Communication Expenditures in 2009	117
8.3	Statistical Summary of Variables Using in the IVPROBIT Model	121
8.4	Estimation Results for the Effects of Phones on Poverty Status Change Using IVPROBIT Regression	122
9.1	Ratio of Monthly Household Expenditures on Education per Total Consumption Expenditures	126
9.2	Average Household Expenditure on Education from 2006 to 2010	127
9.3	Statistical Summary of Variables Using in the Model	132
9.4	Bivariate Probit Analysis for Determinants of Poverty Reduction and Education Expenditures	134

LIST OF FIGURES

Figure		Page
1.1	Critical Microfinance Triangle	5
1.2	Conceptual Framework to Analyze MVC's Performance	7
