ACKNOWLEDGEMENTS

I would like to express my sincere thanks to my thesis advisor, Dr. Pathairat Pastpipatkul for his invaluable help and constant encouragement throughout the course of this research and my co-advisor Dr. Anuphak Saosaovaphak and Dr. Chukiat Chaiboonsri for their kindly assistant. I am most grateful for their teaching and advice, not only the research methodologies but also many other methodologies in life. I would not have achieved this far and this thesis would not have been completed without all the support that I have always received from them.

I also take this opportunity to express a deep sense of gratitude to staffs of faculty of Economics, Chiang Mai University for their cordial support, valuable information and guidance, which helped me in completing this task through various stages.

Finally, I most gratefully acknowledge my parents, patrons for my financial supported and my friends for all their support throughout the period of this research.
