ACKNOWLEDGEMENT

I would like to express my deep gratitude and sincere thanks to my major advisor, Prof. Dr. Aranya Manosroi for her advices, guidance of the research and the patience in correcting my thesis and the manuscripts for publication. She has provided me an unflinching encouragement and support in various ways. Her truly scientist intuition has made her as a constant oasis of ideas and passions in science, which exceptionally inspire and enrich my growth as a student, a researcher and a scientist I want to be. Also, I am gratefully acknowledge to my co-advisor, Prof. Dr. Jiradej Manosroi for his valuable advices, supervision and crucial contribution to this thesis. Also, I would like to thank both of them for the efforts on the collaboration with the foreign professors (Prof. Dr. Masahiko Abe) to be my co-advisor.

I wish to express my sincere thanks to my foreign co-advisor, Prof. Dr. Masahiko Abe for his suggestions and encouragement during my thesis work.

My sincere thanks also to Prof. Dr. Nuttanan Sinchaipanid to be the chairman of the examining committee and Prof. Sumitra Tongprasert as well as Asst. Prof. Dr. Dammrong Santiarworn for being the external committees of my thesis defense.

I also wish to express my warm thanks to my colleagues, all staffs and graduate students at Natural Products Research and Development Center (NPRDC), Faculty of Pharmacy, Science and Technology Research Institute (STRI), Chiang Mai University in Thailand for their technical help and friendship during my study.

I would like to thank the Nanoscience and Nanotechnology Research Center Project, Faculty of Sciences, Chiang Mai University and the Thai-China Flavours and Fragrances Industry Co., Ltd. (TCFF) in Thailand for the partial financial support.

Finally, I would like to thank my family for all their love and encouragement throughout my study, especially my father (Mr. Sathaporn Kietthanakorn) for his moral and financial supports. Thanks to everybody who has contributed to the successful realization of my thesis and I have not mentioned.

Bangon Kietthanakorn
