### ACKNOWLEDGEMENTS

This dissertation completes with the kindness from Assoc. Prof. Dr. Kaitsuda Srisuk the Advisor of the thesis, Asst. Prof. Dr. Ruetinan Samuttai, and Asst. Prof. Dr. Kanjana Keatmaneerat the committee members of the thesis examination who kindly disseminate knowledge, advice and useful concepts as well as assistance and moral support to the researcher.

The researcher would like to pay high respect to Prof. Dr. Rattana Buosonte, Ph.D the chairperson of the committee board of thesis examination and Prof. Dr. Anurak Panyanuwat the committee member of the thesis examination who kindly offer comments to make this thesis complete.

I also thank the instructors in the Major of Research and Educational Development who are part of making the researcher to have knowledge and ability to apply the research to be useful for education. I'm proud that I can transfer my knowledge to the teachers and educational personnel to do research to develop the instruction further.

I would like to thank all knowledgeable persons who devote their valuable time to check the quality of the tools in this research.

I would also like to thank the personnel in every community college who kindly offer good cooperation and facilitate the data collection.

I would like to thank the Office for Nation Education Standards and Quality Assessment (Public Organization) and the Graduate School, Chiang Mai University who supported the scholarship for this thesis.

I would like to pay respect to the Parents, Husband Peter Michael Morsing, and everyone who give moral support and encourage the researcher all the time.

Finally I would like to thank and pay respect to the late Grandfather Thong and Grandmother Dee who already brought me up and taught me to be determined. I'm willing to learn throughout with given moral support until the thesis is successfully accomplished.

Premjit Morsing
