## ACKNOWLEDGMENTS

First of all, I would like to thank the Deutscher Akademischer Austausch Dienst (DAAD) for financial supporting to pursue the master course of Veterinary Public Health. I would like to express my sincere gratitude to DAAD and German Government for enabling me to pursue my studies in Freie Universität Berlin (FU-Berlin), Germany and Chiang Mai University (CMU), Thailand.

Second, many thanks would like to send the Post Graduate Studies in International Animal Health (FUB), the Veterinary Public Health Centre for Asia Pacific (VPHCAP) and my home office, Regional Animal Health Office No.6 (RAHO6) for providing all the academic, facilities for my study.

I would like to thank Dr. Baumann (the course coordinator), Prof. Dr. Peter Paulsen, Assoc. Prof. Dr. Lertrak Srikitjakarn, Assist. Prof. Dr. Saruda Tiwananthagon, Dr. Veerasak Punyapornwithaya, Dr. Thai Thi Thuy Phuong for giving useful advices, suggestions to my study.

Last but not least, I would like to thank the CMU, FUB, UVM-Vienna staffs and my Vietnamese colleagues for helping me to adapt to new environments and carrying out my thesis works.

Phan Thuy Thanh Duyen
